Sir,

Sub Construction of a building for the
Municipal High School at Thyamarondlu

I have the honour to state that the Municipal
Council Thyamarondlu have at their meeting held on
30.11.47 resolved that a sum of Rs 3000/- may be paid
out of the closing balance of the municipality towards
the construction of a building for the Municipal High
School at the place

In this connection I have to state that the Mun-
icipal High School Classes at the place are being conduc-
ted in 3 buildings at present for want of a suitable
building though the School was started 4 years ago the
School is not provided with a building for want of funds
The Council has deposited a sum of Rs 20,000/- as
guarantee fund. As the amount collected by the municipality
through public donation was only Rs 17,000/- the
municipality paid the balance out of the building fund
of Rs 20,000/- Now to take up the work of the building
construction the fund available is only Rs 17,000/- which
will not be adequate for the construction of a High
School building according to type design. A building
for the High School is really a long standing necessity

In the circumstances I request that sanction
may kindly be accorded for the payment of Rs 3000
out of the municipal funds towards the Building fund of
the Municipal High School and to meet the same out of
the closing balance of the municipality as resolved by
the Municipal Council

The financial position of the municipality
permits the above extra expenditure. The municipality
has been asked to collect all the outstanding arrears
and thus augment its financial position

The committee which was constituted for the purpose of collecting donations for the High school fund, it is reported by the President, Ihyamagondlu Municipal Council, in No H C 111/47-48, dated 29/4/48, has been able to collect Rs 17,000/- against a Target figure of Rs 20,000/- being unable to collect the remaining Rs 3,000/- the Secretary of the school fund committee requested the President Municipal Council Ihyamagondlu that the Municipality may itself make up the deficiency by contributing Rs 3000/- out of the Municipal funds

The matter having been discussed at the meeting of the Council on 28/4/1948, it was resolved that in the circumstances represented by the Secretary, of the school fund committee and as further public donations were not likely to be collected, the Municipality, may pay out of its own funds Rs 3000/- to make up Rs 20000/- they have also resolved to meet this expenditure out of its own closing balance which stands at Rs 6918-13-11 on 29-4-1948

The financial position of the Municipality is as follows as on 18-5-1948

p-t-o

As the work of constructing the building is pending from a very long for want of Rs 3000/- the council is very anxious to credit this amount immediately and expedite the construction of a new Building
